Subject: FOIA Request

Dear Mrs. Louann Gross:

This letter is a request made through the Freedom of Information Act for complete and comprehensive records in the custody of the **Environmental Protection Agency's Asbestos Division, which pertains to the inspection of the Asbestos Management Plans of the R.E. Davis Elementary School and of the Cherryvale Elementary Schools, in Sumter, South Carolina, conducted within the past six months.**

In addition to the above request, please forward to me a copy of any and all inspections for asbestos in the ceiling tiles placed in a C&C Recycling Dumpster, located in the back of the R.E. Davis Elementary School, Sumter, South Carolina within the past four (4) months. Please include any and all information which contains data from bulk sampling and any other form of testing done at that said dumpster.

Include the specific results of testing performed on materials found in the said dumpster and provide the results and analyses done by microscopy or any other methodology.

Provide the name(s) of the individual(s) who performed the asbestos testing on the ceiling tiles located in the said dumpster behind the R.E. Davis Elementary School.

Provide the date(s) and time(s) of the SCDHEC inspection(s) performed on the ceiling tiles which were in the dumpster behind the R.E. Davis Elementary School, and also give the date(s) of SCDHEC inspection and results of any and all inspections performed on ceiling tiles and other material suspect for containing asbestos.

Your response to this request would be greatly appreciated.

Please forward to me the costs associated with this request, and I will promptly mail this to your division.

Yours Sincerely,

Brenda C. Williams, MD
